## Description

A visit to the Papeterie Saint-Gilles will convince you that this ancient material is still very much in vogue in the digital age. The building and furnishings have undergone significant renovations. A new paper press has been added along with a terrace for visitors to enjoy. The tour route has been completely revamped and now includes an interpretation wall, unique objects, and a gallery. Additionally, a mobile app is available for self-guided tours. These features are designed to make your visit a truly enriching and enjoyable experience.

La Papeterie stands out for its high-quality handmade cotton paper. As you visit the site, witness the expertise of the artisans and the traditional manufacturing process passed down through generations. At the boutique, find paper for various projects, creative and writing materials, gift sets, greeting cards and reproductions, a whole range of treasures to discover!
